Bollard DUOMO IP65 LED SMD 11W 1420lm(800lm) CRI80 3000K 600mm Anthracite

DUOMO, con su diseño fino, ligero y discreto, aporta un concepto destinado a favorecer la esencia de la luz integrándose en el entorno natural con armonía y sutileza. Es, por tanto, una colección de balizas de jardín caracterizadas por un fino anillo de luz, diseñada para realzar la delicadeza y la exclusividad de los espacios. Gracias a sus tres alturas, a la posibilidad de instalación con base, caja o piqueta, y a la posibilidad de completar la colección con la versión de pared hace que su luz difusa y fluida pueda adaptarse a cualquier ambiente. Su uso ideal es la colocación en zonas verdes, arbustos, zonas de estar al aire libre o caminos sugerentes
