

ALESSANDRA 721A-G05X1A-94 Suspended Lamp ALESSANDRA E27 42W Gold bread

ALESSANDRA is a family of ceiling lamps that have been developed from two different designs in view of the decoration and lighting of shops, homes and hotels. This lamp has been created sophisticated steel and with a maximum length of 1m hanging. ALESSANDRA hanging lamps stand out for its aesthetics and because they have been configured using an E27 socket which allows the use of different types of light sources. Novolux group recommends using FILAMENT LED lamps as a light source for this luminaire.
