Wall Bracket STONE Round IP65 GU10 2x12W up-down Concrete negro

Cristher

Stone Family, an outdoor LED spotlight, redefines technical lighting from a material and sculptural perspective. Made of mineral-textured concrete with a matte finish, it is available in natural and anthracite, giving it an authentic, timeless, and architectural touch. The concrete acts as a natural casing and heat sink. The transition between the optical assembly and the PVC mounting spike is direct and clean, with no visible hardware, allowing the piece to be partially embedded in the ground, as if emerging organically from the landscape. It features a 12W GU10 light source (bulb not included), a 170° projection angle, and is IP65 rated. It is ideal for installation in garden areas, low walls, or sculptures.

GENERAL DATA

| | |
|-------------------|---------------------|
| Category | Surface |
| Family | Stone |
| Finish | [NB] Concrete negro |
| Location | Outdoor |
| Installation | Wall |
| Body material | Concrete |
| Diffuser material | Transparent glass |
| Frame material | Inox aisi 316 |
| ETIM class | EC002892 |
| EAN | 8433264113315 |

LIGHT SOURCES

QPAR-16

| | |
|--------------------|-----------|
| Light source power | (2x) 12 W |
| Lamp included | No |

LED Bulb

| | |
|--------------------|------------|
| Light source power | (2x) 4.5 W |
| Lamp included | No |

LIGHT BEAMS
