In our constantly evolving world and business, technical upgrades happen every day. This means all product specifications and data are subject to change without warning in order to improve reliability, function, performance or otherwise. We make every effort to ensure the accuracy of our product images, however due to different lighting and screens used for viewing, the colours may vary. Images are indicative of the quality and style of the product but may not represent the precise details of the product you receive. This is because we are constantly working to make improvements. For aesthetic reasons, cables and/or electrical elements are often not shown. Refer to technical data sheets for all technical data. Images and colours are not part of any contract or warranty in any way.

Schematic light drawing

Photometric

|                    |                |
|--------------------|----------------|
| Light distribution | Roto symmetric |
| Extreme cut off    | No             |

Electrical

|                    |                                          |
|--------------------|------------------------------------------|
| Insulation class   | I                                        |
| Frequency (Hz)     | 50/60                                    |
| Main voltage (Vac) | 220-250                                  |
| Dimmable           | Yes                                      |
| Dimming interface  | Remote Dimmable<br>(Dimmer Not Included) |
| Batteries inside   | No                                       |
