

LUANG XS is a locally manufactured table lamp designed by Faro Lab. The Luang family is inspired by the art and hand-crafted objects made with papyrus and natural fibres in Southeast Asia and by how they create incredibly formal poetic and complex volumetric objects from flat elements. It has a minimalist structure that contrasts profoundly with the free and organic appearance of its shade which, by not having a structure and being materialised exclusively in papyrus, lights up entirely. This model's shade is camel, providing a very natural, cosy light. Lighting solutions designed for global markets, compatible with mains voltages: 110 - 120V and 220 - 240V.

### General characteristics

<b>Fixation</b>	Table
<b>Type</b>	II
<b>IP</b>	20
<b>voltage</b>	100V-240V
<b>Hertz</b>	50/60Hz
<b>Cable meters</b>	1500mm
<b>Switch type</b>	On/Off
<b>Max. Power</b>	8W

### Material

<b>Body/Structure</b>	Steel
<b>Screen</b>	Parchment

### Finish

<b>Body/Structure</b>	Black
<b>Screen</b>	Camel

### Lighting characteristics

<b>Light source included</b>	No
<b>Light source</b>	E14
