

this is recycled

CONFETTI is a collection of designer lights created by Nutcreatives. Its shade is manufactured from recycled bottle top plastic and is produced locally in Valencia. A solution for modern and committed indoor lighting. The shade plays a leading role and complements the bulb, which is perfectly visible. This light fixture can be installed as both a wall light and a ceiling light, and is also available in 30 cm diameter and 7 cm height. CONFETTI allows you to create islands on the ceiling and on the wall. Lighting solutions designed for global markets, compatible with mains voltages: 110 - 120V and 220 - 240V.

## General characteristics
