VENICE is a floor lamp designed by Adolfo Abejón, versatile and timeless. This luminaire is perfect to accompany a sofa or armchair. Also ideal for creating a cosy atmosphere in any space, VENICE is a great solution for indoor lighting. It features a rotating arm that allows you to move the light closer or further away, depending on the need at any given moment. The cobalt blue lampshade is made of ceramic and is handmade in a workshop in Barcelona, and installation is quick and easy. You can also find it in black, pink, white and striped finishes. Lighting solutions designed for global markets, compatible with mains voltages: 110 - 120V and 220 - 240V.
